

Year 1 Creative Curriculum Theme 2 (Autumn 2)

Areas of Learning

As a **Historian** we will be looking at the events of the Great Fire of London and how it changed people's lives.

Fire! Fire!

As **Scientists** we will learn about different materials in our environment and their properties.

In **ICT** we will be using software to create pictures of the Great Fire of London.

As **Musicians** we will be exploring pitch and learning new songs.

In **Design Technology** creating bunting using different joining techniques.

During **PE** we will be creating gymnastic routines using different equipment.

Possibilities	Independent Learning	Fresh Experiences
We will use the role play area to act out being bakers. We will also learn about different jobs relating to materials.	We will investigate evidence from the past to find out about the Great Fire London.	We will be visiting an outdoor centre and learning how fire is created.
Social, Moral, Cultural, Spiritual and Emotional Development		
We will be thinking about how people lived in the past compared to our lives today.		
We will discuss the emotional impact on the fire on people lives.
