Year 1 Copthorne Curriculum Theme 1 (Autumn 1)

Areas of Learning

*As a **Geographer** I will look at features of my local area.
We will be looking at the different typed of houses there are and how the buildings are used.*

*In **Computing** we will be developing our computer skills and learning to log on and off the computer.*

*As **Artists** we will studying the work of a range of artist and practicing our colour mixing skills*

*As **Scientists** we will be exploring our environment with our senses.*

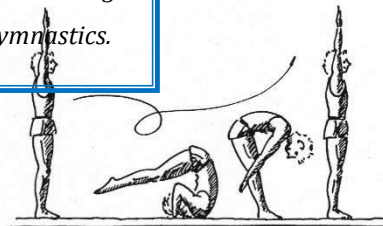

***Through
the Keyhole***

*As **Musicians** we will be learning about rhythm in an old school hip hop song called "Hey you".*

*During **Indoor PE** we will be learning different kinds of rolls in gymnastics.*

| Possibilities | Independent Learning | Fresh Experiences |
|---|--|--------------------------------|
| Discussing different kinds of artwork that may be produced by an artist- not just paintings and different media that may be used. Looking at the jobs available in the local area. | Children to encouraged to ask questions and find information about the local area that they live in. | Using maps to explore a route. |
| Social. Moral, Cultural, Spiritual and Emotional Development | | |
| Main focus on getting along, working as a team throughout the first term, listening to each other's questions and solving problems together. | | |
