### Specialist Leaders of Education (SLE)

#### Exceed in Bradford Teaching School Alliance

We are currently recruiting our first cohort of SLEs following briefing events in the summer term. Leaders below the Headteacher with experience of developing others are invited to apply by the deadline of 30/09/15 for this round of applications. Please see [www.copthorne.ngfl.ac.uk/exceedtsa/opportunities](http://www.copthorne.ngfl.ac.uk/exceedtsa/opportunities) for full details and the application form. Those with less experience are invited to become Leaders of Excellent Practice (LEP) – information on this role is also available via the website stated above. We are particularly seeking applications from primary school-based colleagues but welcome secondary focused applications too.

#### Bradford Birth to 19 Teaching School Alliance

We are recruiting a further tranche of SLEs to join our current 18. We are looking for middle or senior school leaders with experience of supporting improvement in their own or other schools. Many of our secondary, primary and early years SLEs are actively deployed in teacher training in our SCITT or in school improvement across the region. Application forms and further details are available from the school – email [christian.bunting@stedmundsnsc.com](mailto:christian.bunting@stedmundsnsc.com)

#### Catholic Schools Partnership Teaching School Alliance (CSPTSA)

We currently have five designated SLEs, who have all been through an NCTL recruitment process. SLEs are able to support other schools in our alliance and in other alliances in the following areas: Primary English; Primary Maths; Primary RE; Secondary English; and cross-phase New to English (Closing the Gap).

CSPTSA are currently seeking to recruit a further fifteen SLEs. Find out more at our briefing session:

[www.csptsa.org.uk/recruitment/sle](http://www.csptsa.org.uk/recruitment/sle)

#### Northern Lights Teaching School Alliance

We continue to be a Lead School for SLEs and have a 30 strong team of outstanding practitioners in a wide range of subjects. We will be recruiting this term to increase our provision particularly in shortage subjects and primary. SLEs are deployed both on an individual contract basis and within wider school to school support packages. A directory of our current SLEs can be found at

<http://www.northernstaracademies.org.uk/northern-lights/what-we-do/specialist-leaders-of-education/>. Anyone interested in the role should contact us on [shine@northernlightstsa.org](mailto:shine@northernlightstsa.org)
