

# Emerging Middle Leaders

Residential middle leadership event for teachers seeking middle leadership roles in their school in the near future.

*This programme, developed by the Bronte Academy Trust and Exceed Teaching Schools Alliance, is designed for teachers that are preparing for their first middle leadership role. This is a programme for aspirational leaders rather than those already with middle leadership responsibilities. This programme has been subsidised by the local authority resulting in a low cost programme for eligible schools to apply for. Schools currently graded by Ofsted as 'requires improvement' are invited to apply for one place on the programme. A total of 15 places are available. Schools may request a second place on the programme if places become available (see below).*

*There are three sessions including a residential event so that participants have quality time to consider the role of middle leaders and effective leadership models.*

**Session 1:** The first half-day session takes place on Friday 18th November 2016 at Oakworth Primary School, 13:00-16:00. The session will explore leadership models and personal qualities.

**Session 2:** Participants will explore aspects of leadership during the afternoon and evening of Friday 20th January 2017 and the morning of the 21st. A nights accommodation and evening meal at the Mercure Bradford Bankfield Hotel is included in the price of the programme.

**Session 3:** The second half-day session takes place on Friday 17th March 2017 at Haworth Primary School (TBC), 13:00-16:00.
